

Careers in Construction

Your Future, Your Home

Carpentry

\$45,170

Average National Wage

If you like working with wood and take pride in seeing something made with your own hands, then this is the trade for you. Carpenters are needed in all areas of construction and are often employed through the entire construction process, making it one of the most secure jobs within the industry.

Find your home with a career in the home building industry and help others achieve the dream of owning a home.
